

Effect Paints **Cashmere Series**

The Cashmere Silkcoat Effects Group is a series of pure acrylic-based decorative paints enriched with nacre additives, featuring velvet-like patterns and a glossy appearance. Designed to create vibrant and dynamic spaces, Cashmere offers a semi-gloss and matte velvety finish with a pearl-like effect, allowing for a variety of pattern applications. Being water-based, it is safe for both human health and the environment.

A close-up photograph of a brown, textured surface, possibly leather or a high-quality faux leather. The texture is uneven, with visible grain and some darker, worn areas. There are subtle variations in color, ranging from a light tan to a deep, almost blackish-brown in some spots, suggesting age and use. The lighting is somewhat uneven, highlighting the tactile quality of the material.
